DISCLAIMERS

1. Illustrations are valid for 24 hours. To honour the interest rate in effect on the day the Rate Basis Guarantee request was signed, see the Administrative Guidelines for details:
<http://advisors.standardlife.ca/en/tools/reference/guidelines/howto.html>
2. The illustration is based on the information entered. Any changes to this information may result in a change to the income or premium amount.
3. Rates are subject to change on a daily basis.
4. In the event of death of the annuitant or both annuitants before the Annuity Commencement Date, the Death Benefit will be the Premium paid plus an annual interest rate of 1.5%.
5. For Prescribed annuities, the policyholder must be the annuitant. If jointly owned, each policyholder must be an annuitant.
6. All illustrations are in Canadian currency.
