## Changes to information

This illustration is based on the information you and your advisor have provided. You are responsible for the completeness and accuracy of the information. Any changes to the information in this illustration may result in a change to the actual income amount.

The final income amount and purchase date will be determined when your last premium is received by Sun Life Assurance Company of Canada. The pricing assumptions used to calculate the income amount will be determined using the pricing assumptions in effect at the time your advisor confirms the sale with us.

The rates used to calculate the income are guaranteed until midnight, Eastern time, on the rate guarantee date indicated on page 1. If your advisor confirms the sale before the end of the rate guarantee date, the rates are then guaranteed for 45 calendar days. The illustrated initial income amount is based on these rates and assumes that the full premium is received on the purchase date indicated.
