ADVANTAGES OF A MANULIFE ANNUITY

GUARANTEE OPTIONS

Return of Premium - This option can guarantee a return of the original premium (with or without interest, as selected at the time of application) if the annuitant(s) pass away before the first payment date. A return of premium guarantee is automatically included in annuity quotes for registered money or quotes that include principal protection.

Guarantee Period - If a guarantee period is chosen, payments are guaranteed to be paid for the selected period. If all annuitants should pass away after payments have started and before the end of the chosen guarantee period, then remaining guaranteed payments may continue to a beneficiary.*

Principal protection - This option (also known as a cash refund guarantee) ensures that, in the event that all annuitants pass away on or after the payment start date, a beneficiary will receive a lump sum payment. This lump sum payment is equal to the difference between the total payments made by us and the original investment.

PAYMENT FREQUENCY

Choose from monthly, quarterly, semi-annual or annual payments on any annuity type (subject to minimum payment amounts).

*Or may be commuted in certain circumstances.
