Definitions

A Politically Exposed Person (PEP) can be a foreign PEP or a domestic PEP.

A **foreign PEP** is a person who, holds or has held one of the following offices or positions in or on behalf of a foreign state: head of state or head of government; member of the executive council of government or member of a legislature; deputy minister or equivalent rank; ambassador, or attaché or counsellor of an ambassador; military officer with a rank of general or above; president of a state-owned company or a state-owned bank; head of a government agency; judge of a supreme court, constitutional court or other court of last resort; or leader or president of a political party represented in a legislature. These persons are foreign PEPs regardless of citizenship, residence status or birth place. A person determined to be a foreign PEP, is forever a foreign PEP.

A domestic PEP is a person who, holds or has held within the last five years, a specific office or position in or on behalf of the Canadian federal government, a Canadian provincial or territorial government, or a Canadian municipal government: Governor General, lieutenant governor or head of government; member of the Senate or House of Commons or member of a legislature; deputy minister or equivalent rank; ambassador, or attaché or counsellor of an ambassador; military officer with a rank of general or above; president of a corporation that is wholly owned directly by His Majesty in right of Canada or a province; head of a government agency; judge of an appellate court in a province, the Federal Court of Appeal or the Supreme Court of Canada; leader or president of a political party represented in a legislature; or mayor, reeve or other similar chief officer of a municipal or local government of a city, town, village, or rural or metropolitan municipality, regardless of the size of the population. A person ceases to be a domestic PEP five years after they have left office or five years after their death.

A **HIO** is a person who, holds, or has held within the last five years, one of the following positions: head of an international organization established by the governments of states; head of an institution established by an international organization; or head of an international sports organization. When we refer to the head of an international organization, the head of an institution established by an international organization or the head of an international sports organization, we are referring to the primary person who leads that organization; for example, a president or CEO. There is no requirement for an institution established by an international organization to operate internationally. It is possible that an institution that has been established by an international organization only operates domestically, or in one jurisdiction. A person ceases to be an HIO five years after they have left office or five years after their death.

Certain family members of a foreign PEP, domestic PEP or HIO must also be regarded as PEPs or HIOs. These family members are:

- their spouse or common-law partner;
- their child;
- their mother or father:
- the mother or father of their spouse or common-law partner; and
- a child of their mother or father (sibling).

For the purposes of the Canadian *Income Tax Act* ("ITA".), common-law partners are two individuals who have been living in a conjugal relationship for at least 12 months or who are living in a conjugal relationship and have a child.

Stepfamilies do not fall under the definition of family members. There must be a formal adoption.

A **close Associate** can be an individual who is closely connected to a foreign PEP, a domestic PEP or a HIO for personal or business reasons. For example, a person who is joint on a policy where one of the holders may be a PEP or HIO, a person who makes a deposit of \$100,000 or more and the payee is a PEP or HIO, a business partner with, or who beneficially owns or controls a business with, a PEP or HIO, a person who is involved in a romantic relationship with a PEP or HIO, a person who is closely carrying out charitable works with a PEP or HIO.
